

ONTARIO SAVINGS BONDS ARE BUILDING BLOCKS FOR OUR PROVINCE

With Ontario Savings Bonds, you earn a competitive interest rate, and at the same time support important services like education, health care, infrastructure and skills training. So while you're building your financial future, you're also helping build a stronger province. Ontario Savings Bonds are a guaranteed investment that only Ontario residents can make.

SECURE

Both the principal and the interest of your investment are guaranteed 100 per cent by the province of Ontario.

AFFORDABLE

Available in amounts from \$100 to \$500,000.

OPTIONS

Choose from three types of Ontario Savings Bonds. All are available with annual or compound interest.

FIXED-RATE BOND

Earn a set rate of interest until maturity. Available in 3-year, 7-year and 10-year terms.

STEP-UP RATE BOND

Earn annual interest with rates that increase each year over five years.

VARIABLE-RATE BOND

Earn a new annual rate every year until maturity on June 21, 2013.

FLEXIBLE

You can redeem Variable-Rate Bonds annually on June 21, and Step-Up Bonds every six months on June 21 and December 21. All bondholders have an additional 14 days to cash their bonds. You can also sell your bonds through an investment dealer or transfer them to another person at any time.

TAX BENEFITS

If you choose, you can hold your Ontario Savings Bonds in your Tax-Free Savings Account or your self-directed RRSP or RESP.

CONVENIENT

You can purchase Ontario Savings Bonds where you bank or invest. If you have maturing bonds (2003 Variable-Rate, 2005 Step-Up or 2007 Fixed-Rate), you can continue earning interest by exchanging them for 2010 bonds during the sales period.

COMPETITIVE RATES

Rates will be announced June 1, 2010. For information on the new 2010 rates, consult your financial institution, visit www.ontario.ca/savingsbonds or call toll-free 1-888-212-BOND (2663).
